Just as every one of you in Little Rock Central High School is part of the student body, so are you part of the PIX. Your laughter, your loves, and your activities are all reflected in this yearbook. As you turn through its pages, may you recall the experiences, gay or serious, that you have had this year.

The architects of the present building must have known the type of people who would soon fill the halls with happiness and enthusiasm, because they have presented characteristics of every student which they have placed in the statues on the facade of the building. We think these statues represent qualities in you, your character, and your inner feelings. They are Ambition, Personality, Opportunity, and Preparation.

Just as the statues represent phases of your character, we think that Bubba and Babs, our fictitious, yet typical boy and girl, represent your attitude toward life. They demonsrate your outlook toward matters of importance. As you see them living for you throughout the PIX, we believe that you will see yourself also. As you see them, you will see that—YOU ARE THE PIX.

We believe that you will wish to preserve this yearbook and cherish it. Then, in the years to come, you will treasure the pictures, the scenes, and the ideas that these pages contain. We sincerely hope that you enjoy the 1955 PIX now, and for the rest or your life.

Affectionately yours,
The 1955 PIX Staff

The quality of Ambition is best expressed in our faculty members. They have all achieved at least part of their ambition and are now successful instructors. They are encouraging you and me to do our best. They stimulate our ambition. From our faculty members we may be inspired to develop our own ambition and abilities into something far beyond our present comprehension.

Bubba and Babs may seem to be in trouble here, but they will profit by this experience. All teachers love apples, don't they? See if you don't find, in the pages that follow, a group of trustworthy and ambitious adults.

Seniors

That day, on which Bubba and Babs are shown here, is inevitable. It is graduation day, when we, the seniors of high school, must realize that we are no longer children. After graduation, we jump into the lives of adult men and women. Our senior year is preparation for the difficult step. During this time, we are given many opportunities to develop our minds, our bodies, and our personalities. Our senior year is a necessity. Some day we will thank LRCHS. Yes, that day, when, with happy hearts and misty eyes, we leave Little Rock Central High School, we will be very grateful for the preparation we made here. On the following pages we will see the graduates, the well-rounded, yet a little green and immature adults of 1955.

LRCHS

"The Most Beautiful High School In America"

LITTLE ROCK CENTRAL HIGH SCHOOL

14th and Park Streets Little Rock, Arkansas

Phone FRanklin 5-1285

May 1, 1955

Dear Seniors:

The 1955 PIX makes another fine volume for Little Rock Central High School's pictorial record with much emphasis on the accomplishments of the Class of 1955. The story of the Class of 1955 is one of impressive achievements. Not the least of these is the fact that the members of the class from all sections of Little Rock and Pulaski County have learned to work together as a group, under their chosen officers, for the accomplishments and objectives of the class. In doing so, they have developed new friendships and have discarded outgrown rivalries and old prejudices to develop new and wider loyalties.

The individual accomplishments of the members of the Class of 1955 have been as noteworthy as their group achievements. In scholarship, so many have excelled that honor organizations have gone to a record enrollment. In citizenship, no class has had more to boast of. Members of the class have worked in service groups for the good of the school and the community never before equalled. In talent--scientific, musical, forensic, dramatic, literary--the class can provide more than its quota. And each member of the class can feel a justifiable pride in his individual achievement, graduation from a high school which ranks with the best in the nation.

As we say "Good Luck" to this, one of the last classes in which all geographical sections of Little Rock will be together in Central High School, we hope that the Fighting Tiger, the emblem whose unbowed spirit resists defeat and glories in victory, passed on to you by those who have gone before, will symbolize your courage and determination as you face the future.

If the students of the present and the future will emulate the patterns you have set of wholesome activities and of scholastic attainment, Little Rock Central High School will move forward to greatly increased educational leadership and responsibility.

Cordially yours,

Jess W. Matthews

"I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation under God, indivisable, with liberty and justice for all."

With these familiar words, another day begins at Little Rock Central High School. Homeroom also means reading of the Bible and the daily bulletin. These things are routine. We don't notice anything unusual about homeroom. Later, no doubt, there will be a chuckle and maybe a lump in our throat as we recall our experiences of those early morning hours. As we turn through the next eleven pages, we will see the girl who so patiently helped with our math assignment, the fellow who always read the daily bulletin, the girl who brought the well-received Tigers into homeroom twice a month, and the boy who always seemed to be collecting money for something or another. Let's see if we don't recall some very fond memories.

Classes

Classes, classes, classes, classes! Classes come in all shapes and sizes . . . . all sorts and types . . . . all grades and groups. Sometimes they seem to last forever, but sometimes they seem to hurry by. Naturally without them, there would be no school. The teachers who drive us the hardest are the ones to whom we will be most thankful in the years to come; and we will hold good thoughts as we recall the helpful and considerate advisers. Maybe we spent our classtime as did Bubba and Babs . . . . preparing . . . uh . . uh . . well . . Babs is preparing herself for life. We may, or may not, be pictured in the next few pages, but we will probably hold fond memories of our classes.

Clubs form the backbone of Little Rock Central High School's pupils social life. This is the way we develop our personality. The clubs are our outlet from strenuous studies and trivial worries. The organizations have in them a few leaders, many followers, and very many happy pupils. I know that we, like Bubba and Babs, are very eager to see them so here they are.

The highlights in our school year may have been the dances we attended, the scavenger hunts we were dunked at, or the happy hours we spent in chapel each morning. For Bubba and Babs, it was a dance, as you see here. There are many more activities at LRCHS, and most of them are recorded in the next few pages. Maybe our joys will be recorded in the memory pages that follow.

Recognition

In every school, there are leaders . . . . the brilliant, the beautiful, the boastful. Not every one in LRCHS is pictured in this division, but they are all worthy of this honor in their own way. We may be connected with the next section. Maybe we cast the deciding vote in the election of the Tiger Beauty Maids. Maybe we were the campaign manager of the Student Body President. No two people are identical. Bubba and Babs are admiring each other's photographs, because they merited a place in this desired spot of the PIX. At any rate, the pictures that follow are photographs of the pride of Little Rock Central High School.

Miss Edna Middlebrook
Little Rock Central High School
Little Rock, Arkansas

Dear Miss Middlebrook:

It was a pleasure to select the Tiger Beauty of 1955.

All of the contestants were most attractive and it was very difficult to choose between them. We have indicated our selection on the reverse of the photograph. Our choice is based on (a) features and contours of the face, (b) alertness of expression and apparent personality and (c) feminine charm. As always, my choice is influenced by my ever-continuing interest in the NATURAL GIRL.

Congratulations to the winner and all the contestants and to the staff members of PIX.

Sincerely,

John Robert Powers

Publications

Publications are also important at our high school. According to the eighteenth century slogan, "the pen is mightier than the sword." Now, in the twentieth century, that is still correct. Thanks to the many pamphlets, newspapers, and paraphernalia produced in our own print shop, we were informed on the important issues of the school day. Babs and Bubba were fortunate enough to merit a position on a staff. Here are the other members of the staffs of LRCHS.

Many pupils plan to study music as a career; therefore, our music program offers an excellent opportunity to them. It has been said that music . . . "hath charm to soothe the savage breast." Thanks to the pupils in the following section. By them, we were charmed and entertained on many occasions. Here you see pupils for whom we predict success in music in the years to come.

Dear Opal,
I haven't seen you much this year, but I can never forget the crazy times we had in number 9 grade. Remember? You're a cute girl with a very wonderful personality and I wish you the best of luck in your senior year.

Sports

Sports are the rallying point of our school, because that is the interest which the student body as a whole supports the most. We literally scream ourselves hoarse, when driving our celebrated Tigers on to victory. Not only do we support our athletes, but we also admire them. Many of us have been in a situation such as Babs and Bubba are in here. Following, you will see the ones whom we know, admire, and support.

Dear Opal,

I have really enjoyed being in study hall and Student Council with you. You have a wonderful personality and can make friends easily. Best of luck to a swell girl.

Love,
Linda Davis

LRCHS vs. Fort Smith

Top row, top to bottom, End Bill Harmon, Guard Richard Maxwell, Center Larry Nahlen, End Joe Day.

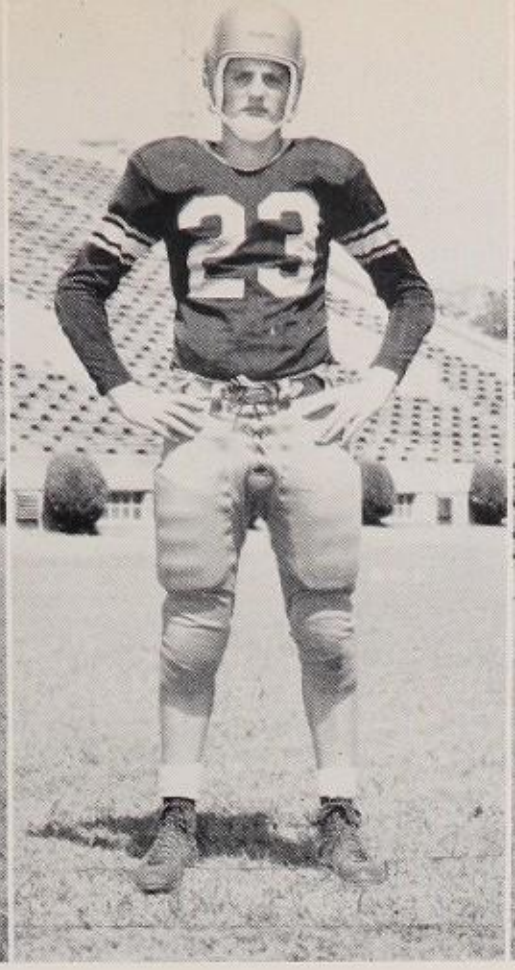
In the action shots top left, Ralph Goldman is tackled by an unidentified player. In the background are Scott Woodmansee (10) and Darryl Herbert (32). Top right, Ralph Goldman carries around right end. Leading the way for him are Bill Jones (14), Jim Wetherington (12), and Richard Maxwell on ground. Bottom left, Darryl Herbert skirts left end with Frank Plegge (72) blocking for him. Bottom right, Coach Ray Peters, Dr. John M. Smith, Coach Wilson Matthews, and Fort Smith Coach Steed White.

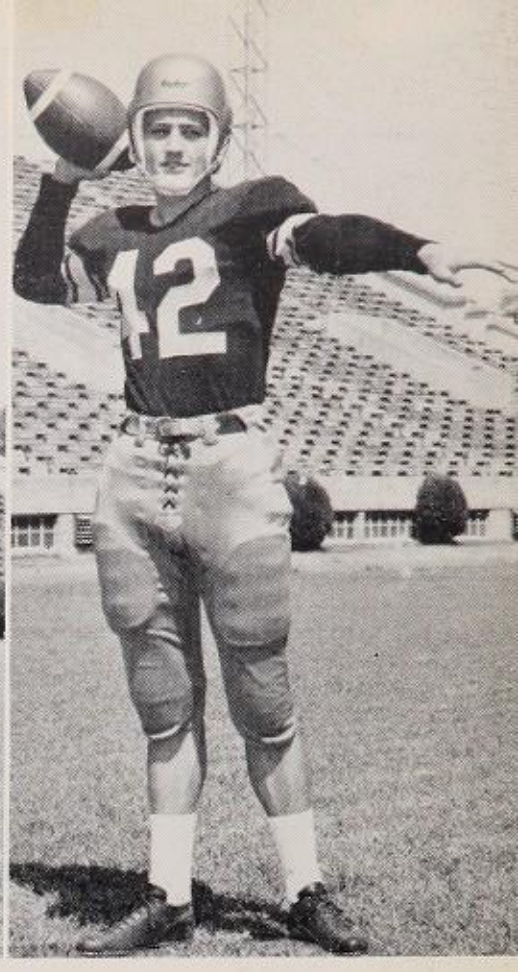
Little Rock Tigers rolled over the Fort Smith Grizzlies 28-6, in Tiger Stadium before a homecoming crowd on October 8.

The Tigers' devastating ground attack piled up a total of 305 yards rushing to wear down the Grizzlies almost completely. Fort Smith had a total of 124 yards, rushing.

Scoring laurels were distributed evenly for the Tigers with Darryl Herbert, Ralph Goldman, Hammond Satterfield, and Scott Woodmansee making one touchdown each. Although Halfback Jim Wetherington did not make a touchdown, he converted after all four touchdowns and played a fine game on defense.

Playing an outstanding defensive game was Darryl Herbert who consistently came up from his linebacker position to make key tackles. Also playing well defensively were Richard Bell, Guard Richard Maxwell, and Halfbacks Bill Jones and Ralph Goldman.





LRCHS vs. Istrouma, Baton Rouge

Top row, from left, Quarterback Hammond Satterfield, Tackle Leroy Danner, Tackle Larry Francis, and Quarterback Jimmy Martin. Bottom right, Quarterback Hammond Satterfield jumps to pass. Fixing to throw a block is Guard Eddie Copeland (61).

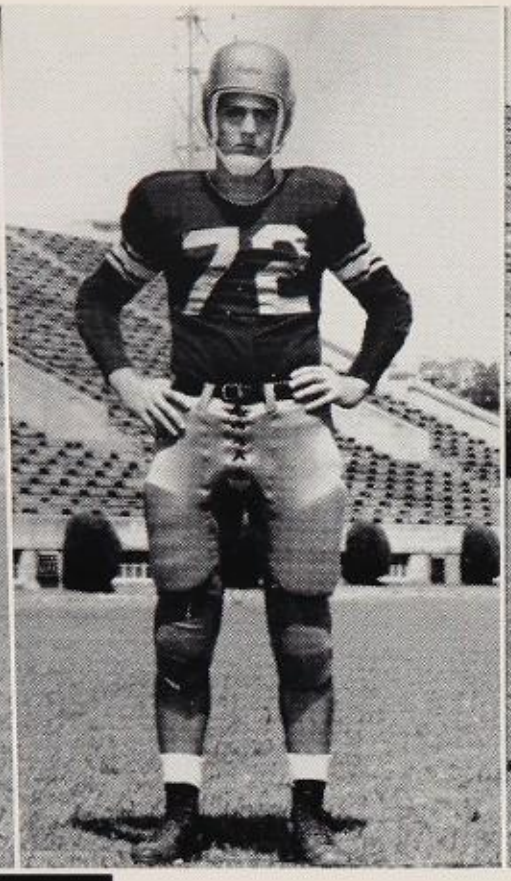
The Tigers played five out-of-town games, two of them being out-of-state contests.

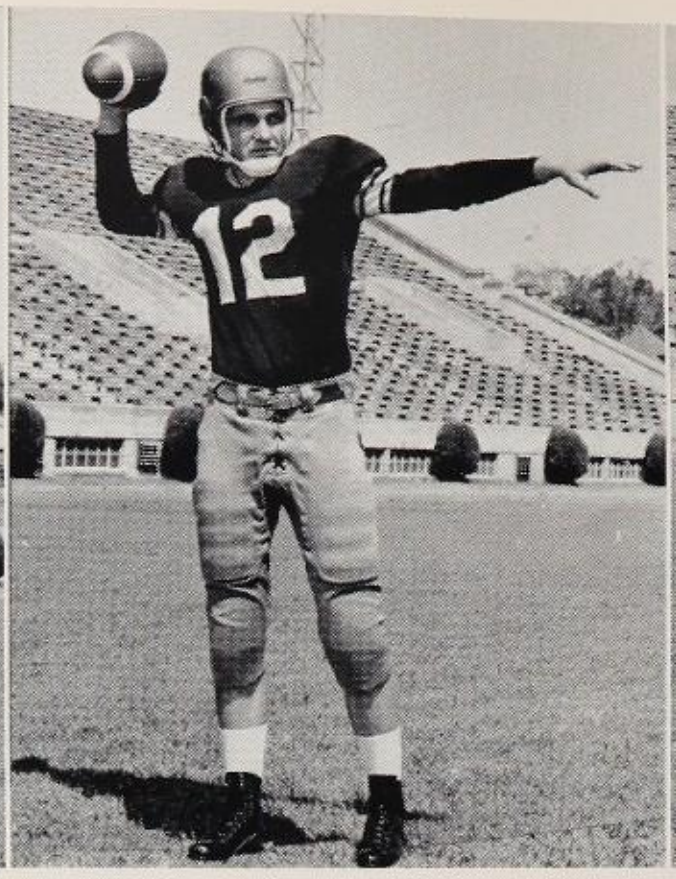
LRCHS Bengals only lost to out-of-town foes came at the hands of Istrouma High School of Baton Rouge. The Louisiana squad smothered the Tigers, 46-20, on September 24.

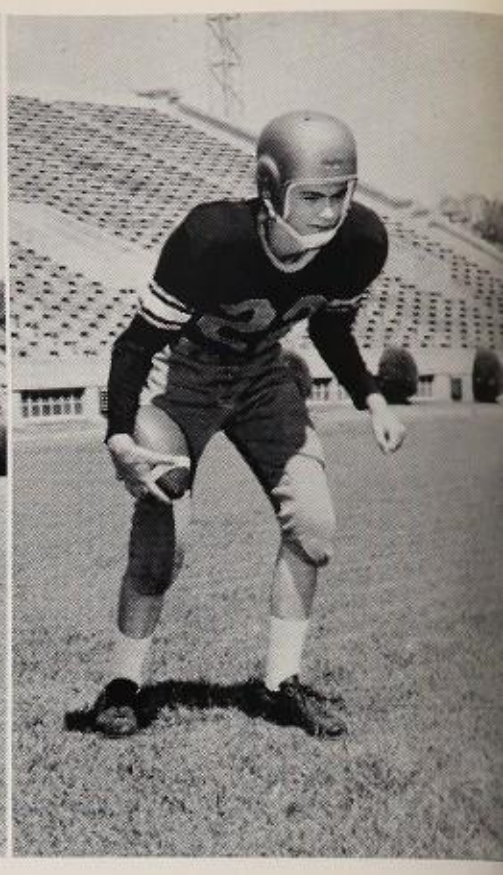
Roaring back the next week, the Bengals downed the hapless Hot Springs Trojans, 52-0, on October 1.

Texarkana, Arkansas was Little Rock's next out-of-town foe, the Tigers winning, 27-7, on October 15.

Then came El Dorado on October 22 and Tilghman High of Paducah, Kentucky on November 28. Little Rock won these games 21-7 and 28-12, respectively.







Homecoming Activities

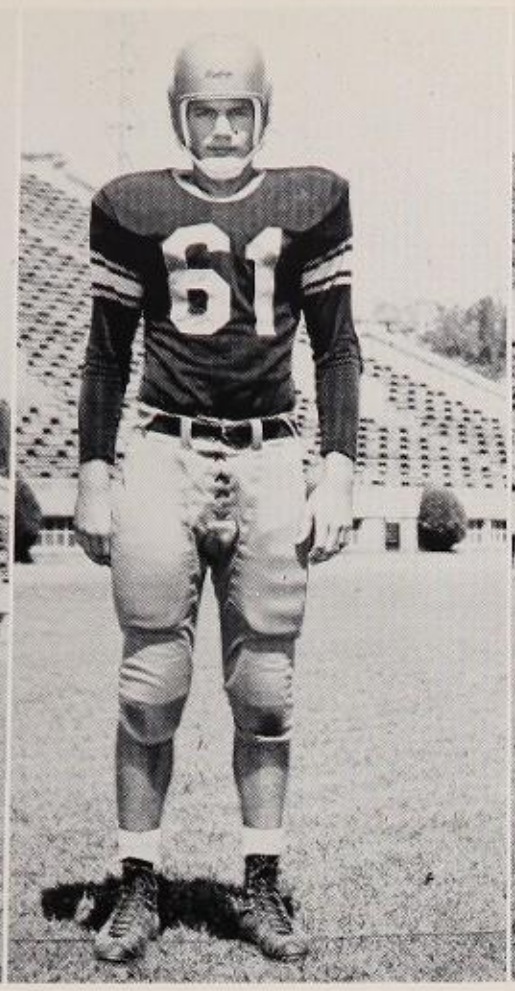
Top row, from left, Halfback Jimmy Woods, Tackle Frank Plegge, Halfback Jim Wetherington, and Halfback Michael Johns

Center left, Kay Smith, 1954 Homecoming Queen.

Bottom left, the Homecoming Queen's court. Bottom right, members of the LRCHS football team pin orchids on four of the Homecoming Maids. Left to right, they are Tharon Crigler and Larry Nahlem, Nedra Dodds and Buddy Milligan, Jan Graham and Fred Isgrig, and Gwen Pounders and Robert Castleberry.

The 1954 Homecoming game featured many activities for the student body of Central High School. In festivities before the game the queen and her maids were announced. Queen was Kay Smith; her maids of honor were Tharon Criger, Jan Graham, Nedra Dodds, and Gwen Pounders. Other maids were Phyllis Alexander, Margie Brown, Kay Edwards, Charlene Grady, Martha Hackett, Annette Hoover, Martha Maley, Kathryn Polk, Nikki Polychron, and Ann Strawn.

The Gold Jacket Club formed the aisle which the maids, maids of honor, and queen make their entrance. The game climaxed a week of activities urging the Tigers to beat Fort Smith. They did.



LRCHS vs. Memphis Central

Top row, from left, Tackle Fred Isgrig, Guard Eddie Copeland, End George Edwards, and Halfback Ralph Goldman

Bottom left, Fullback Darryl Herbert is tackled by a Memphis Central player. In the background are Jim Wetherington (12), Richard Maxwell, and Herbert Rule.

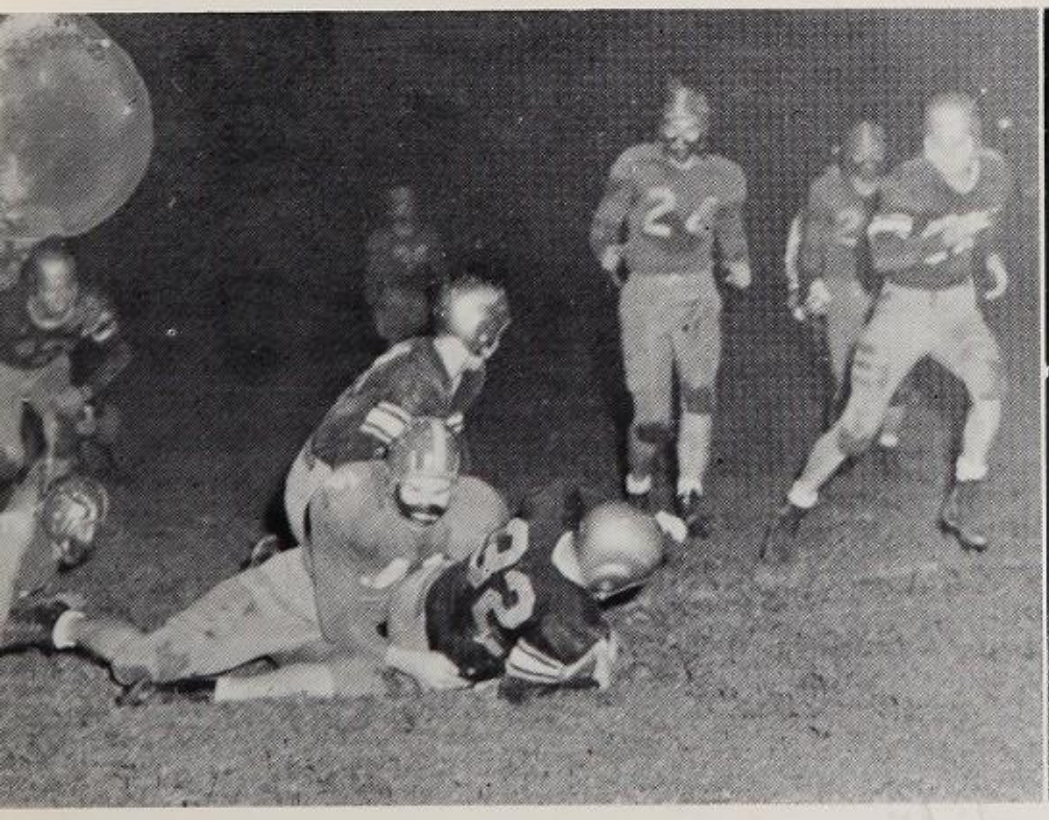
Bottom right, Halfback Jim Wetherington is stopped by a Memphis Central tackler. Blocking for him is Frank Plegge.

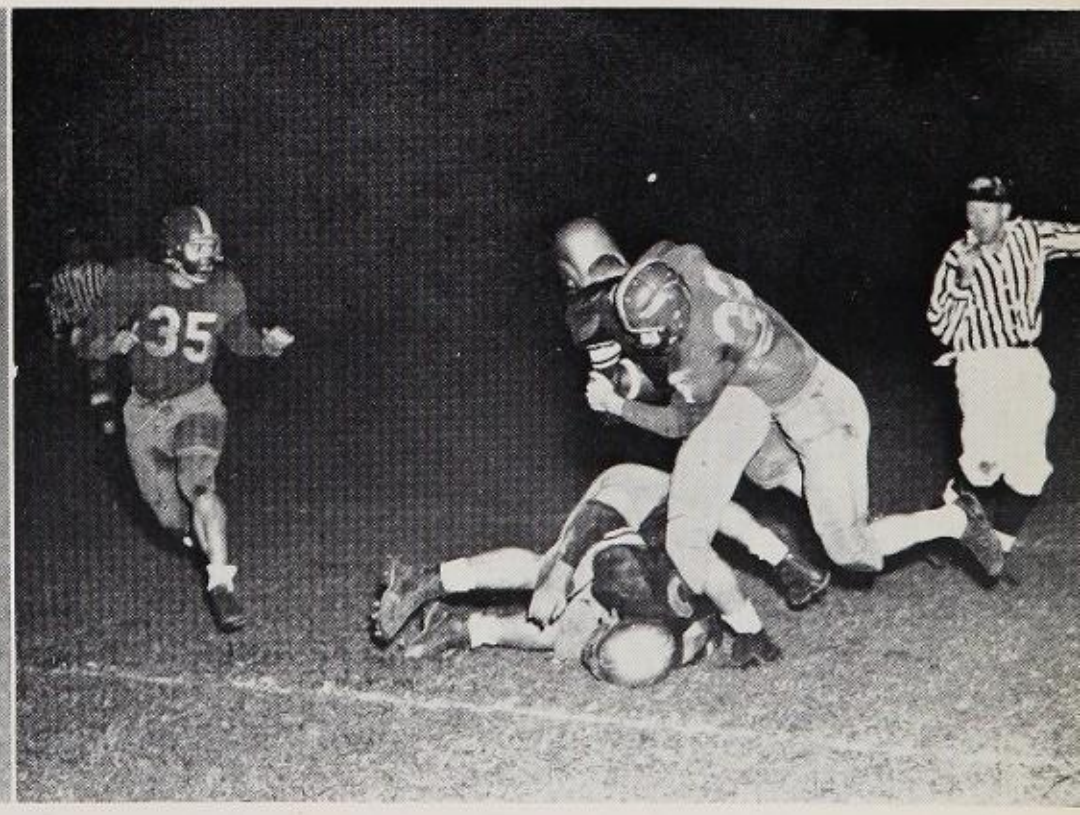
After a slow start, the Little Rock Tigers crushed the Memphis Central Warriors in the second half 14-0, on Octobeh 29, before a little less than 3000 shivering fans in Tiger Stadium.

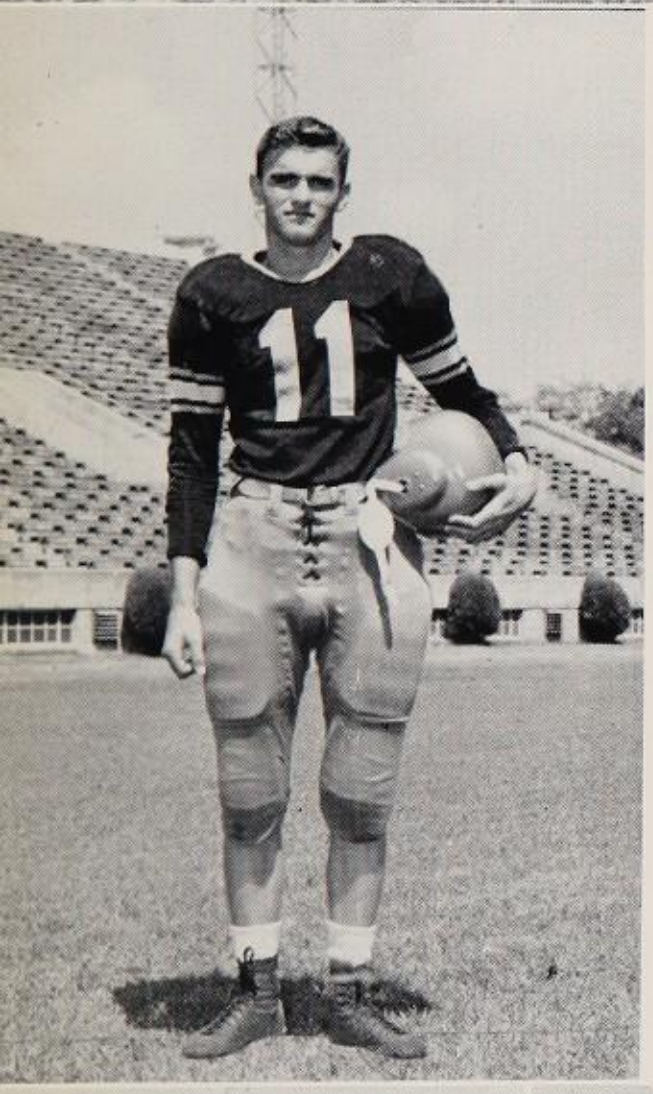
The Bengal's rushing attack rolled up a total of 240 yards compared to the Warrior's 97. The Tigers completed three out of nine passes for 25 yards. The Warriors connected on three out of 13 for a total of 66 yards.

Fans saw a fine display of punting by Memphis' Don Griggs who punted seven times for an average of 42 yards per punt. But all his fine kicks were of no avail, for every time he would get off a good long one, the Tigers would quickly grind out yardage tc escape from their own territory.

It was the Tigers' sixth win of the season, and it evened their record against out-of-state competition at 2-2.







Big Seven Activities

Top left, Robert Castleberry and Calvin Moore pull down Bessemer's star halfback, Tommy Lorino, while Frank Plegge (72) and Charles Smith look on.

Top right, Darryl Herbert gains yardage against Bessemer with the aid of Richard Maxwell and Herbert Rule (75).

Center, Guard Warner St. John (9).

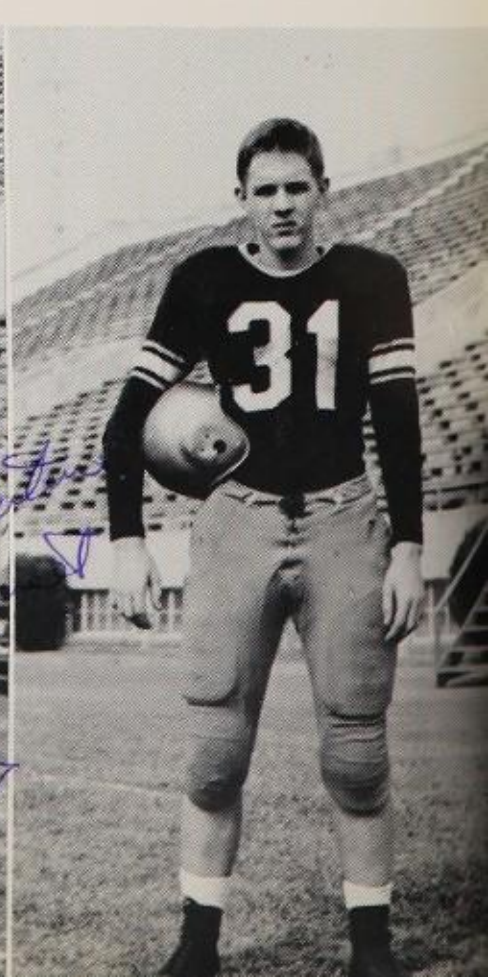
Bottom row, left to right, Guard Lewis Banard, Halfback Mike Hendon, Guard Bill McMurray, and Fullback Calvin Moore.

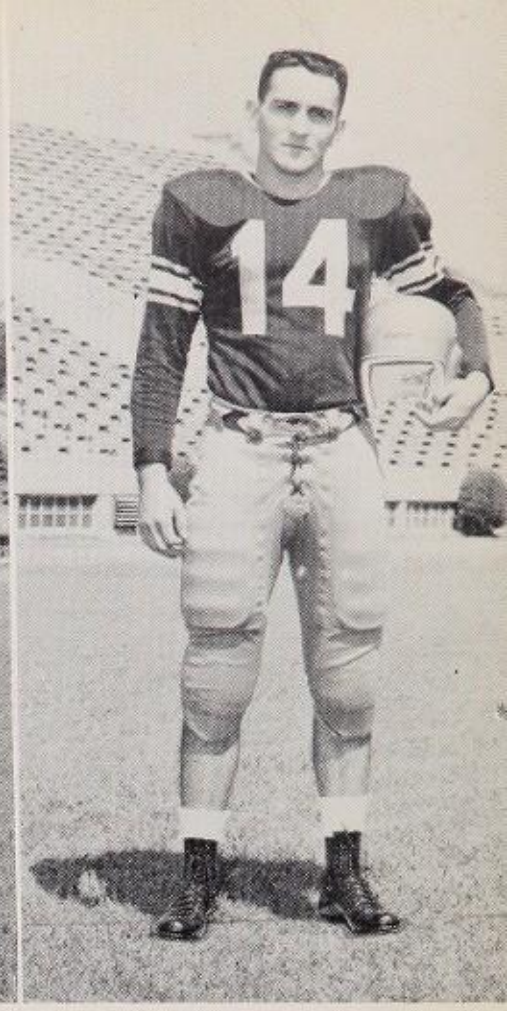
LRCHS Tigers placed six men on the 1954 all Big Seven football squad. Three Bengals each were picked by the league coaches for the first offensive and defenseive teams, three men were named on the alternate offensive team, two on the alternate defense squad and ten were given honorable mention.

Members of the first offensive team from Little Rock were Tackle Frank Plegge, Guard Richard Maxwell, and Halfback Jim Wetherington. On the first defensive team were Tackle Eddie Copeland, Guard Warner St. John and Linebacker Darryl Herbert.

Darryl Herbert is the only man on the Tiger squad to be chosen two consecutive years.

On the alternate offensive squad for the Tigers were End Richard Bell, Center Larry Nahlem, and Halfback Ralph Goldman. On the Alternate defense eleven were Linebacker Bill Jones and Halfback Jimmy Martin.





LRCHS vs. Memphis Treadwell

Top row, from left, Tackle Charles Carter, Quarterback Bill Glasscock, Center Buddy Milligan, and Halfback Bill Jones

Center right, Wilson Matthews, the Tigers' outstanding football coach

Bottom left, Halfback Ralph Goldman is tackled by a host of Treadwell tacklers. Bottom center, Fullback Darryl Herbert is stopped by two Treadwell linemen. Looking on is Ralph Goldman (20)

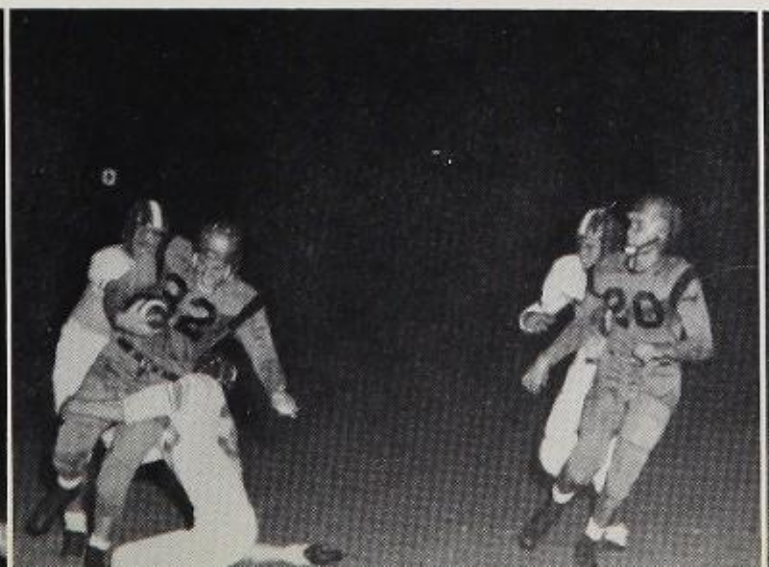
Bottom right, Calvin Moore, Coach Ray Peters, and Coach Wilson Matthews walk to the dressing rooms at halftime in the Treadwell game.

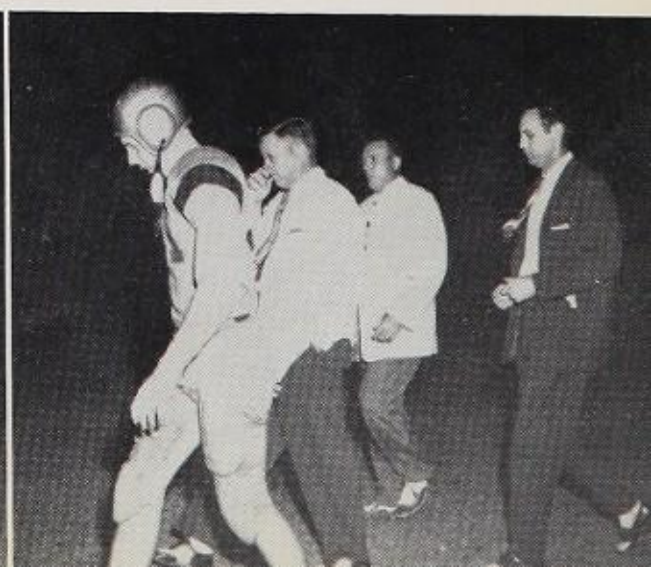
Little Rock Central High Tigers began their football season in fine style as they overran the Memphis Treadwell Eagles, 34-13, before 7,000 fans in Tiger Stadium on September 10.

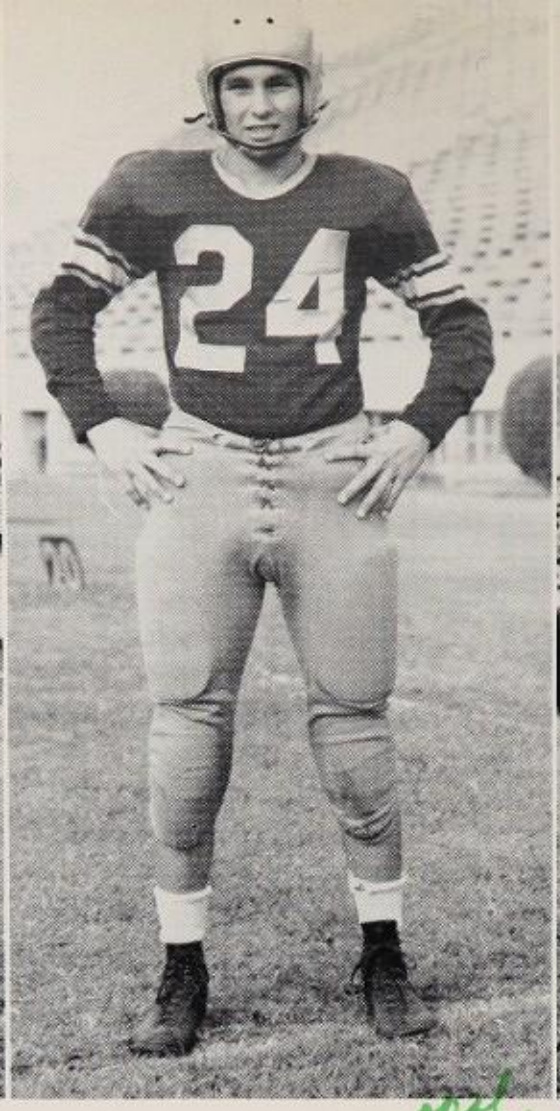
The Tigers three ace running backs, Darryl Herbert, Jim Wetherington, and Ralph Goldman, proved to be too much for the hapless Eagles as they paced the Tigers to a 34 to 0 lead at the end of the third quarter.

Herbert led the scoring for the Tigers with two touchdowns, with Wetherington, Goldman, and End Richard Bell adding one each. Wetherington converted for the extra point after the last four TD's.

All was not easy for the Tigers, however, for the Halfback Troy Green received a dislocated elbow and had to be rushed off to the hospital.







LRCHS vs. N. L. R., Turkey Day Game

Top row, from left, Fullback Troy Green, End Charles Smith, Halfback Johnny Shaver, Tackle Herbert Rule

Center left, Fullback Calvin Moore runs for a touchdown against the North Little Rock Wildcats.

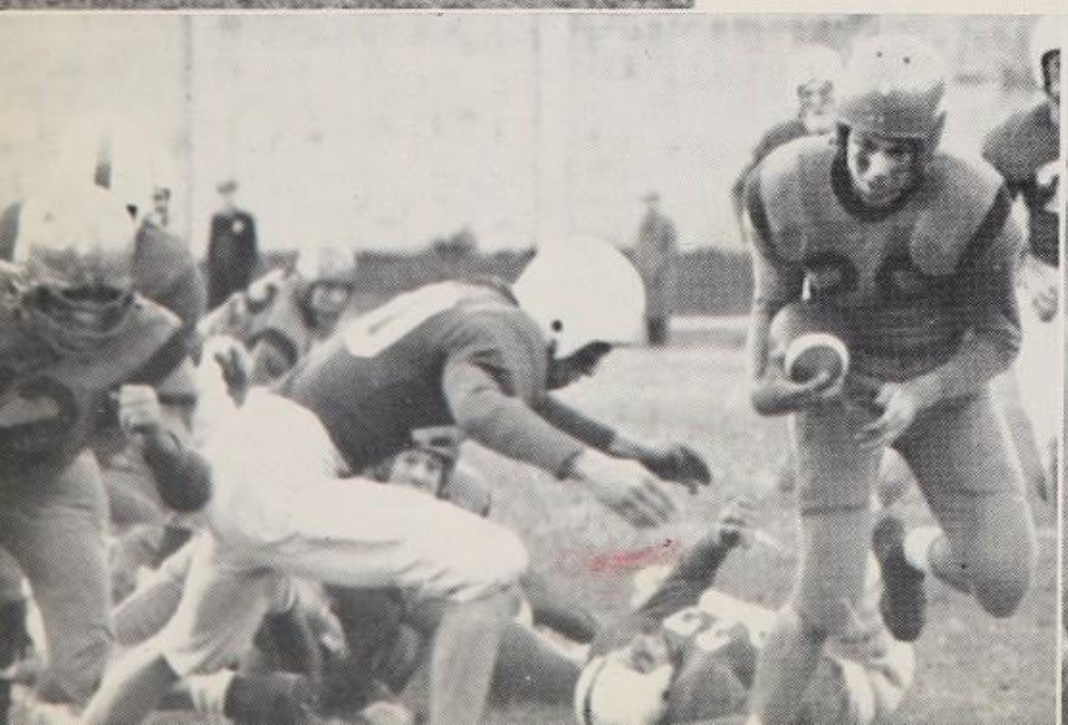
Bottom left, Halfback Ralph Goldman (20) carries through the line. Blocking is Frank Plegge (72).

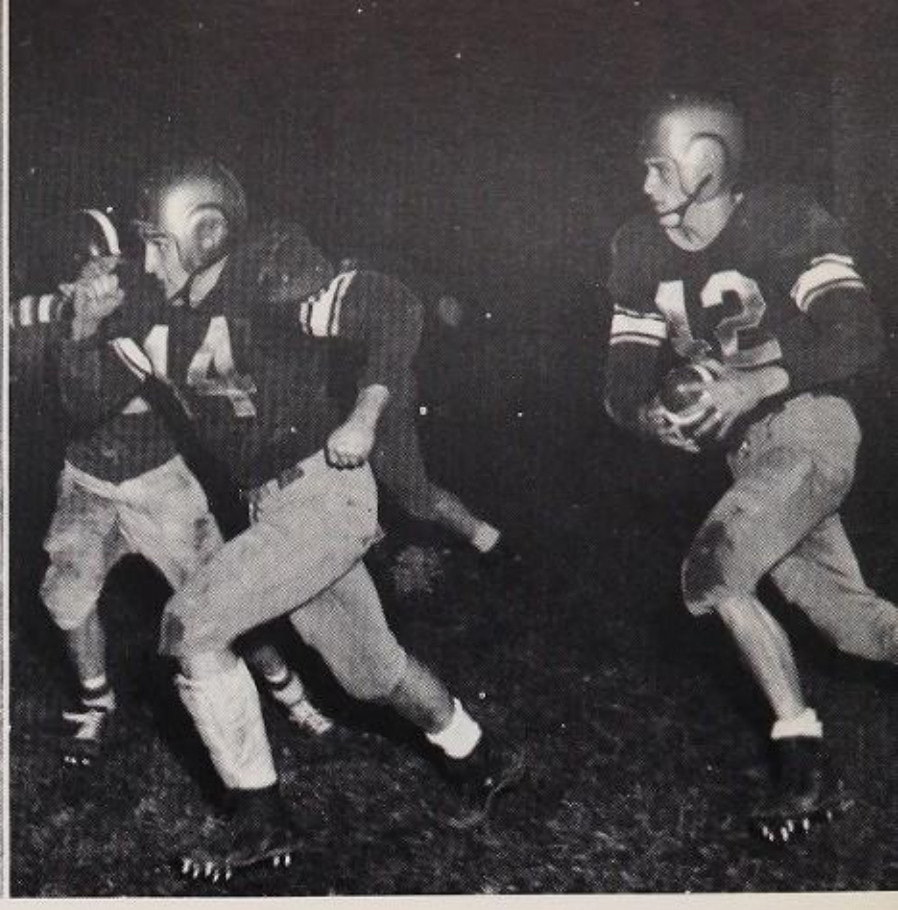
Bottom right, Fullback Darryl Herbert is tackled attempting a line plunge. Also in the picture are Richard Maxwell (63), Hammond Satterfield (41), and Frank Plegge on bottom.

Over 8,000 fans were on hand in Tiger Stadium November 25 to witness the defeat of North Little Rock Wildcats at the hands of the Little Rock Tigers to the tune of 38-26 in the annual Turkey Day game.

After a scoreless first period, the Tigers came back in the rest of the game to overrun the outmanned Wildcat eleven.

Quarterback Hammond Satterfield played one of his finest games, throwing three touchdown passes and scoring one himself. Tackle Frank Plegge, Guard Richard Maxwell and Guard Eddie Copeland played an outstanding game both on offense and defense.





LRCHS vs. Pine Bluff

Top left, Fullback Darryl Herbert (32) drives against the Pine Bluff Zebras.

Top right, Halfback Bill Jones leads the way for Quarterback Jimmy Martin.

Left center, trainer Don Sparks

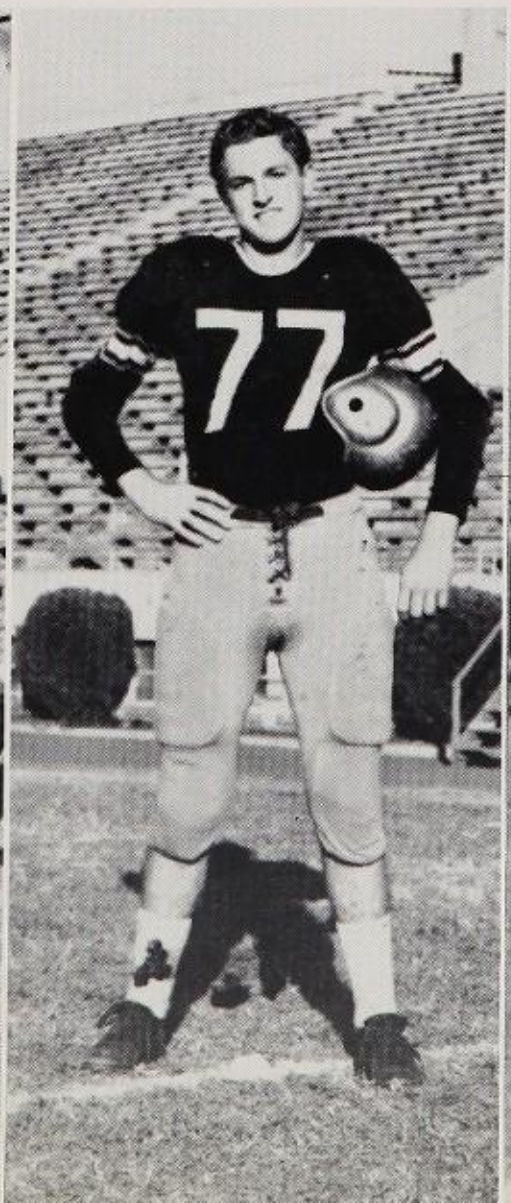
Bottom row, left to right, End John Phipps, Tackle Charles Ferriter, Guard Coy Burnett, and Halfback Borys Malczycki

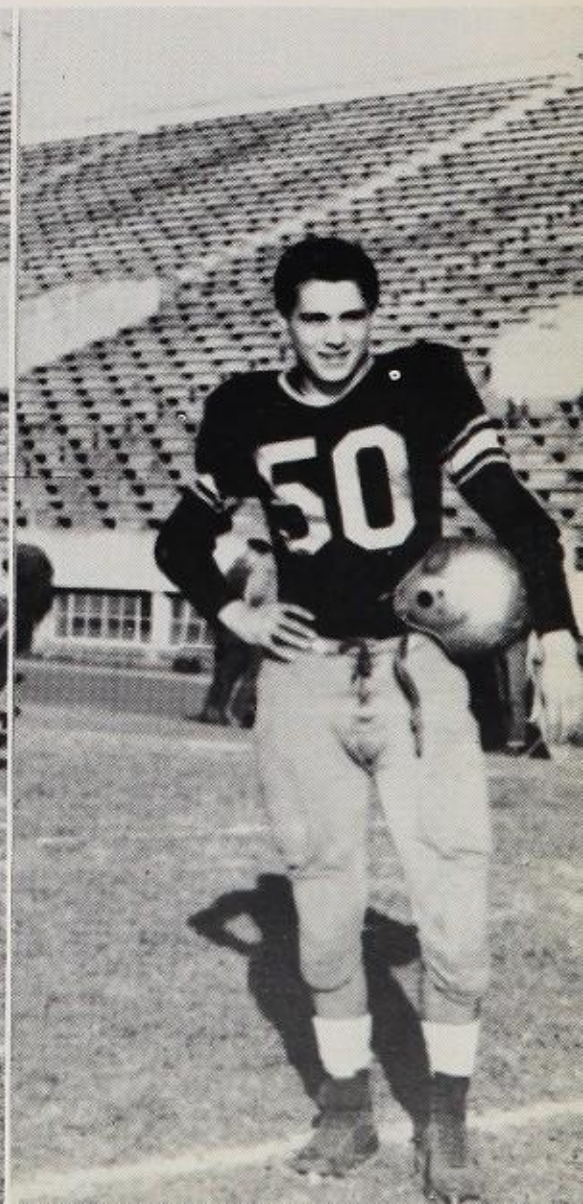
Little Rock Central High School's Tigers overwhelmed the highly outclassed and outmanned Pine Bluff Zebras, 34-12, November 12, in the annual Color Day clash in Tiger Stadium.

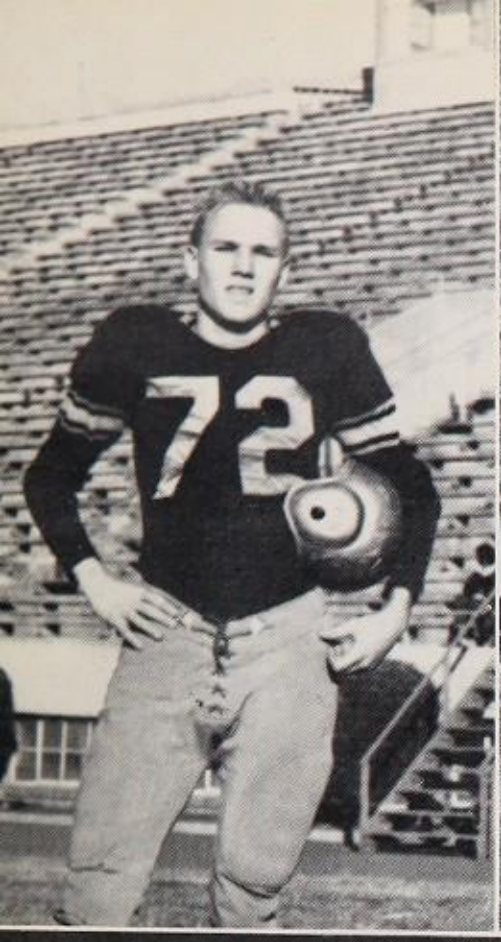
Although the touchdowns were evenly spaced through all four periods, Little Rock's greatest show of power came in the second half when the Tigers scored three TD's.

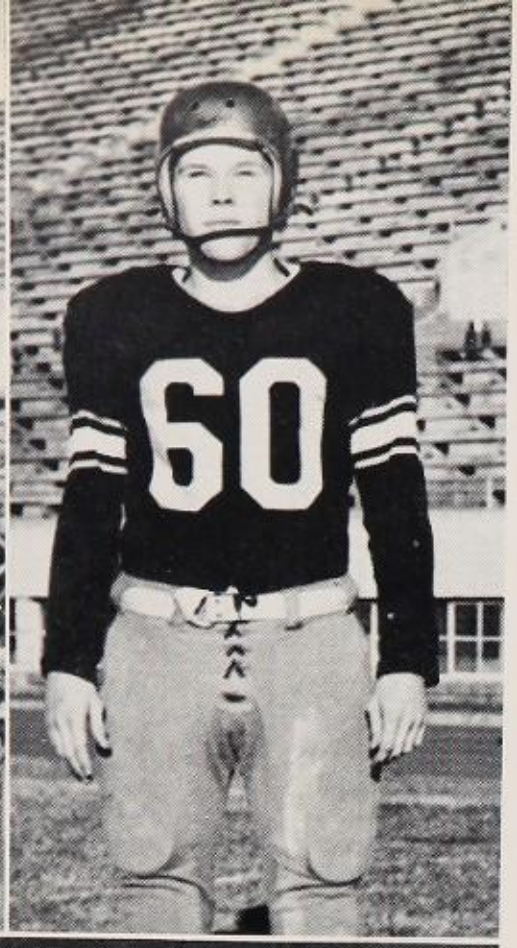
The Bengals were sparked by Halfback Jim Wetherington who made touchdown runs of 58 and 51 yards, respectively.

It was the Tigers' eighth win of the season and fifth win in the Big Seven conference.









LRCHS vs. Bessemer

Top left, End Paul Ellsworth; top right, Guard Buddy Riggs.

Bottom center, Fullback Bobby Holloway; bottom right, Center Bill Rath.

In the action shots, top, Hammond Satterfield (41) is tackled while attempting to cross the strong Bessemer line. In the background are Jim Wetherington (12), Frank Plegge (72), and Scott Woodmansee (10).

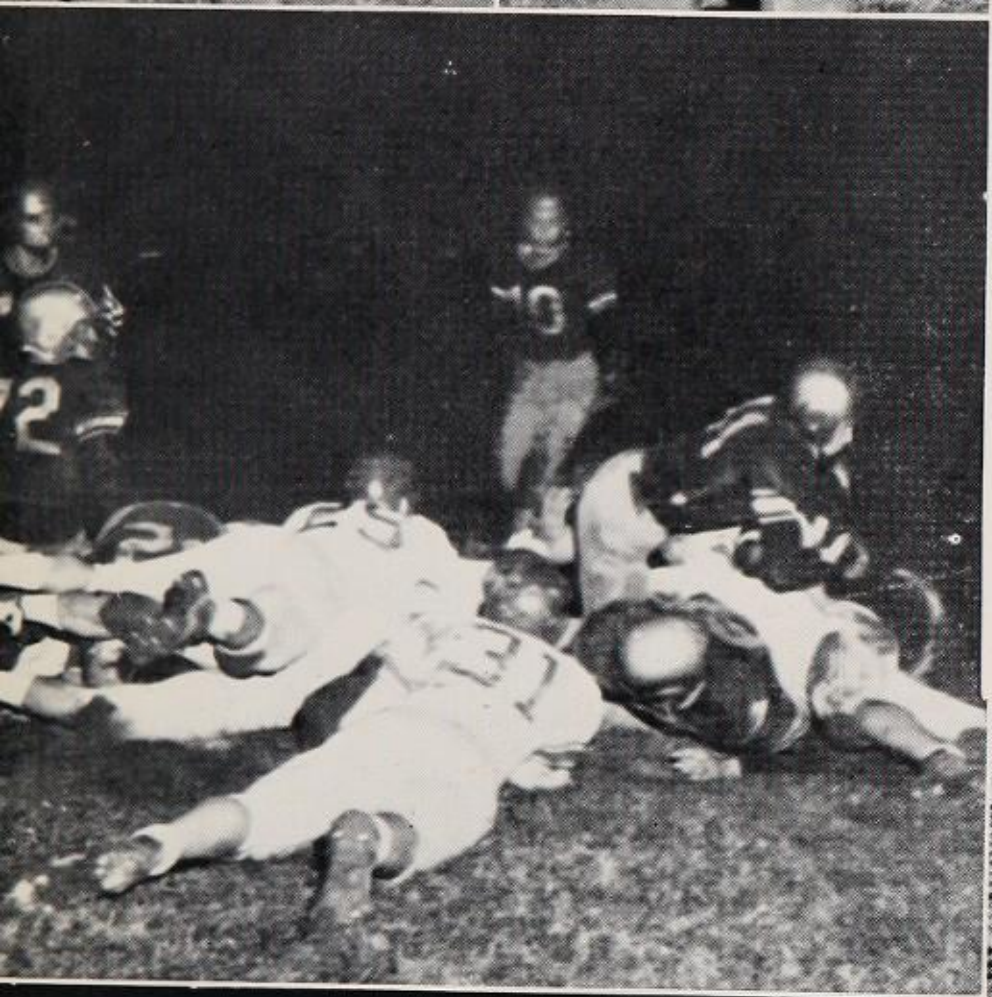
In the bottom action picture, Hammond Satterfield is stopped by two unidentified Bessemer players.

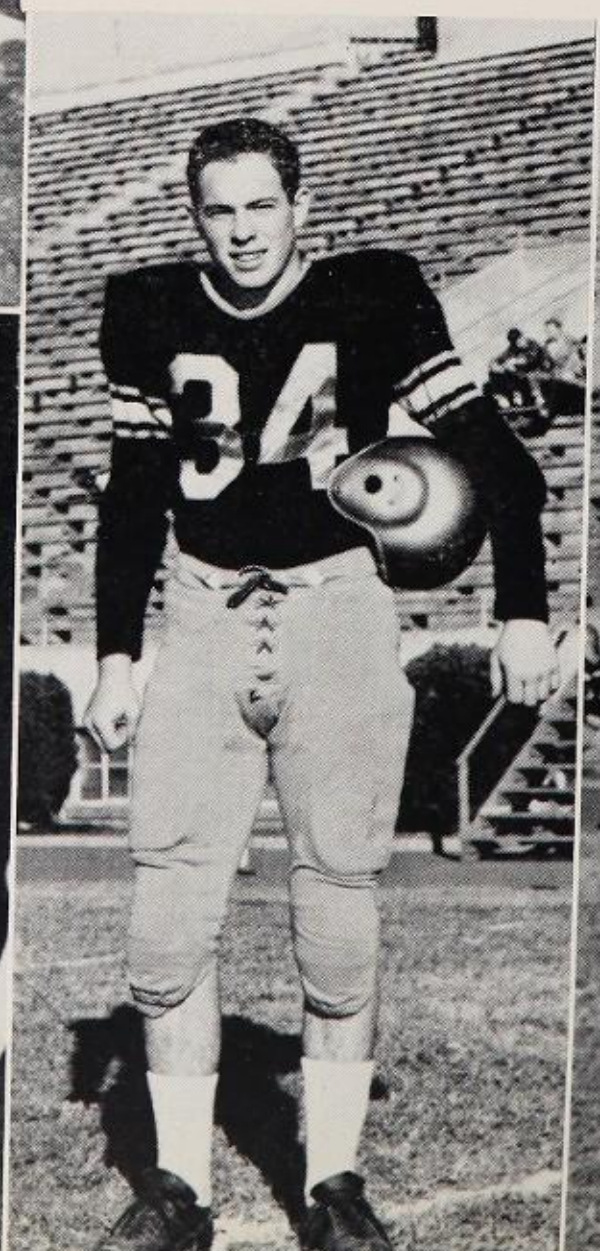
The Bessemer, Alabama, Purple Tigers came to life in the second quarter behind their brilliant Halfback Tommy Lorino to down the hard-fighting Little Rock Central High School Tigers, 20-7, on a mud-soaked terrain in Tiger Stadium on November 19.

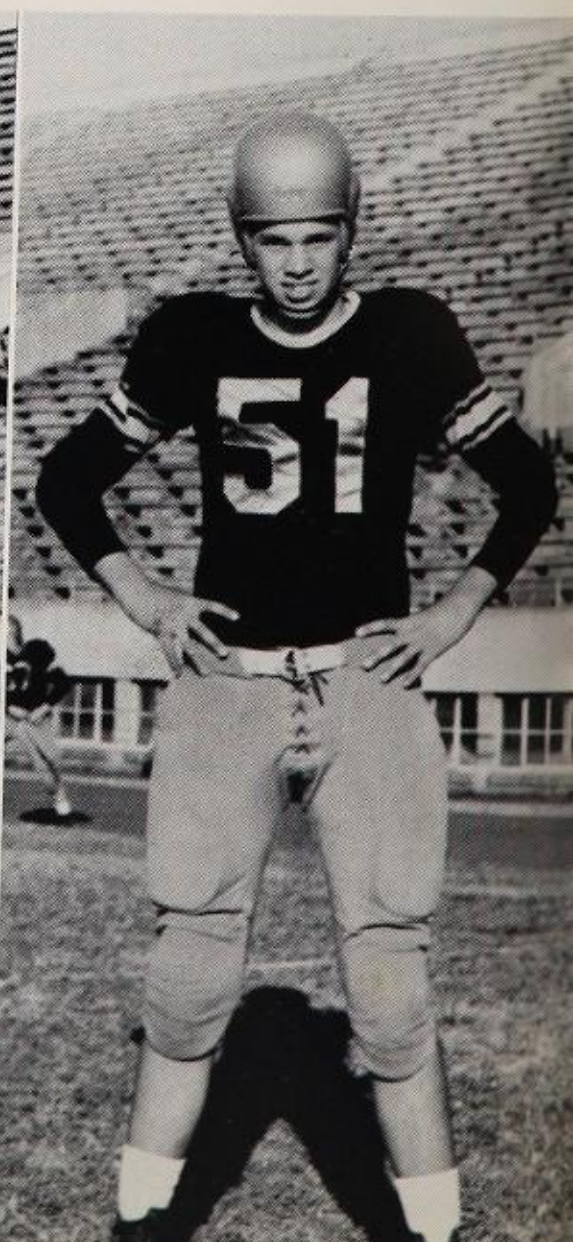
Lorino literally did everything for the Alabama aggregation. He had been heralded as one of the finest backs to come out of Alabama in years; he certainly proved it.

Little Rock was by no means humiliated by the defeat. The local Bengals played one of their finest games of the season and might have reversed the verdict if they had taken advantage of a couple of scoring opportunities.

Little Rock out-gained Bessemer on the ground, by 209 yards to 142 for the purple crew. The difference being Lorino and Bessemer's fine passing attack. Coach Snitz Smider's team completed 7 of 12 passes compared to 3 of 15 by the Bengals.







LRCHS vs. Texarkana, Texas

From top to bottom, Tackle Douglas Francisco, Tackle Bill Baskett, Guard Bob Darling, and Guard Carl Harris.

Top, Halfback Ralph Goldman runs in the midst of a host of would-be Texarkana, Texas, tacklers.

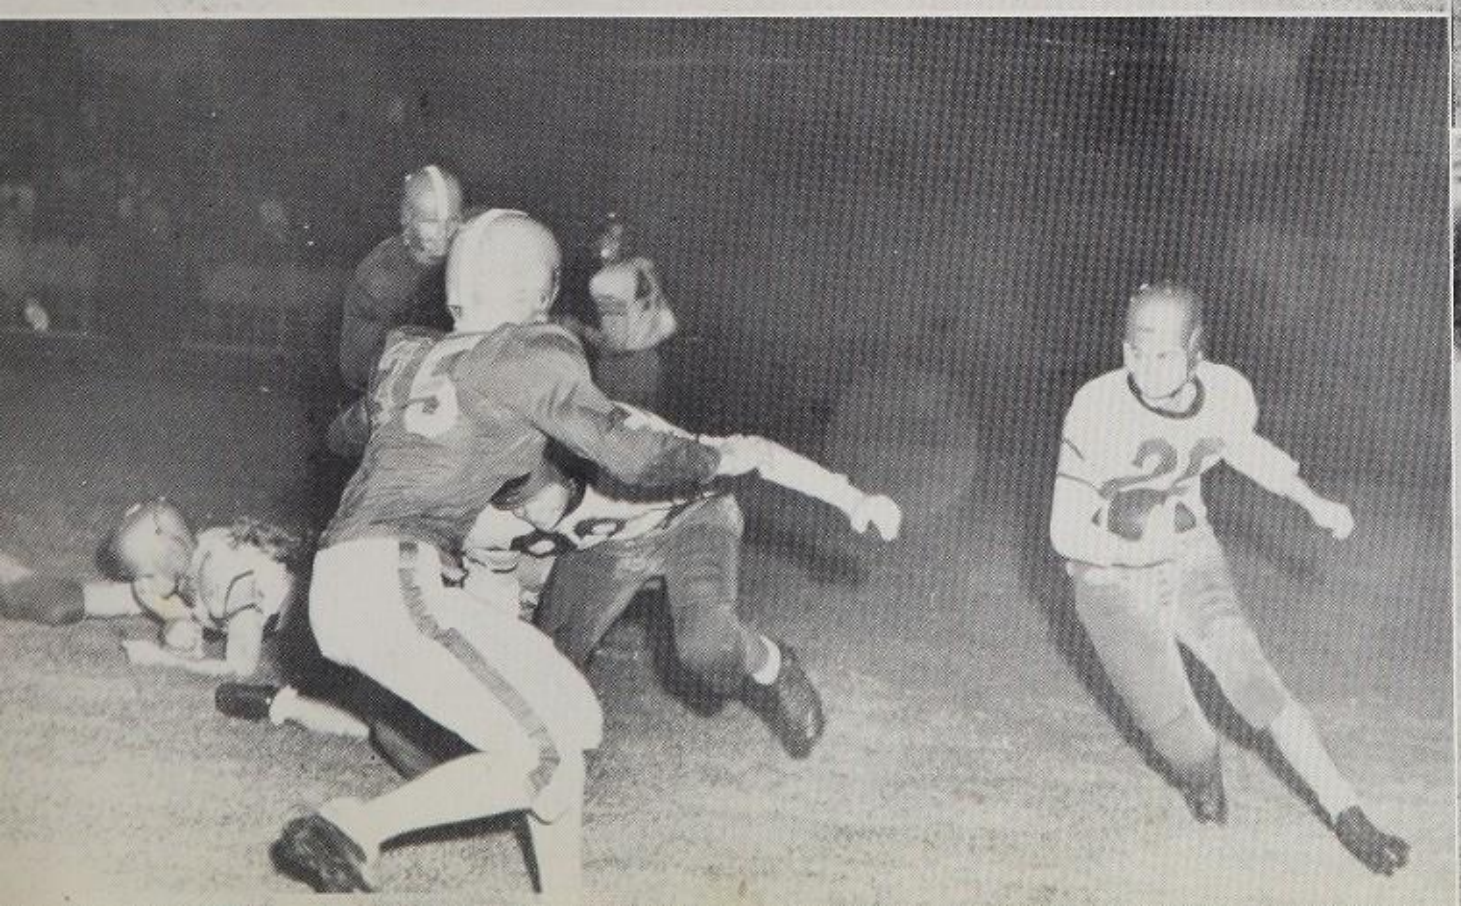
Bottom, Ralph Goldman (20) carries with the aid of Darryl Herbert (32) and Jim Wetherington (12). In the background is Quarterback Hammond Satterfield (41).

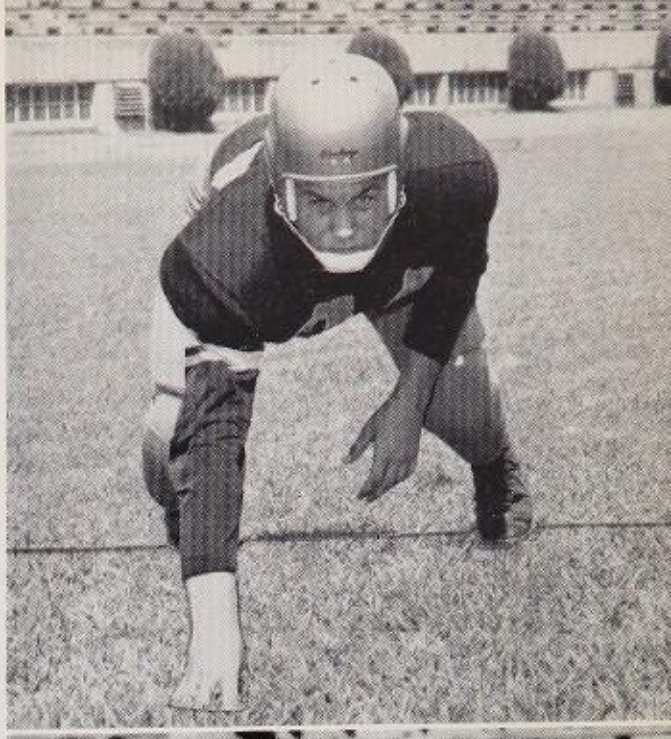
Texarkana, Texas, Tigers squeezed by the Little Rock Tigers by a narrow 2-0 margin September 17, before 5,000 drizzled-soaked fans in Tiger Stadium.

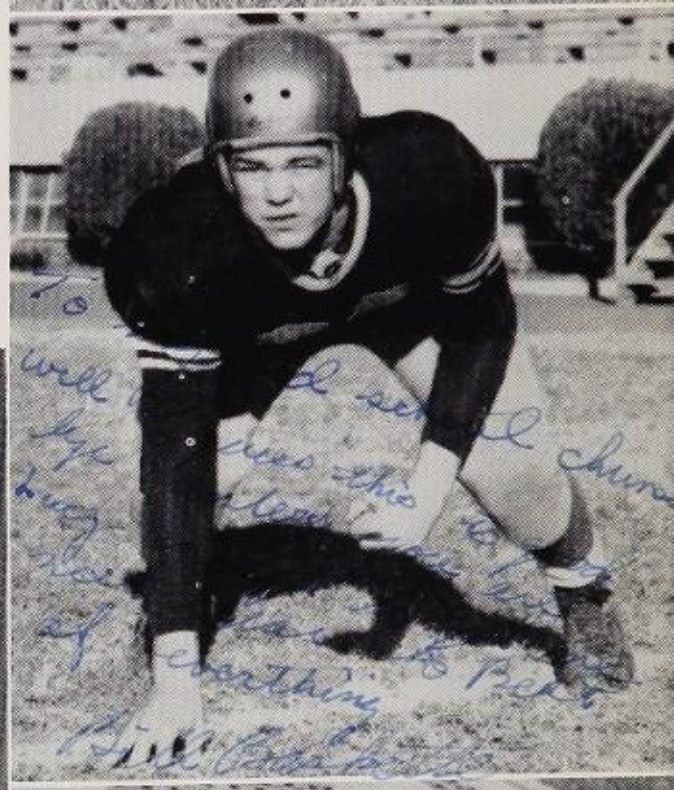
The Texan's two points came midway in the first quarter when Little Rock stopped a Texarkana drive on Little Rock's 40, where Don Carroll punted to the Little Rock 5. Jimmy Martin, Little Rock safety man, caught the ball and was immediately smeared and pushed into the end zone by Texarkana Guard Kenneth Green.

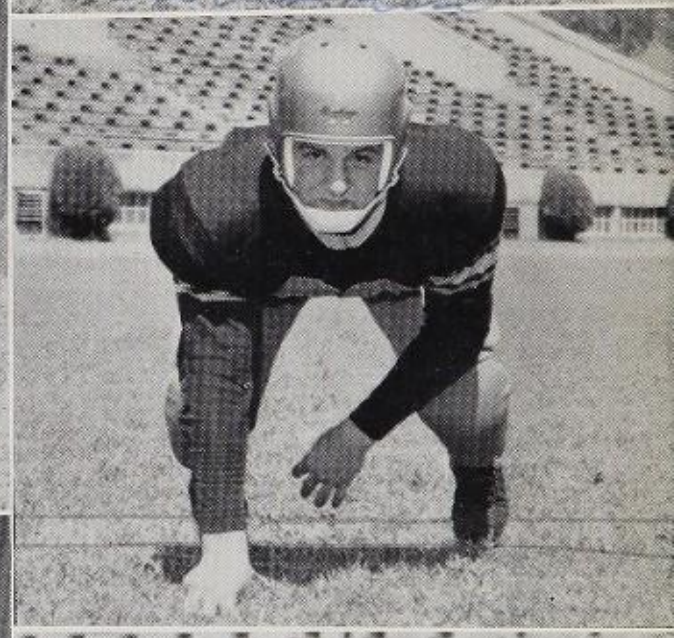
It was the first time that Little Rock had failed to score since 1947 when they fought to a scoreless tie with El Dorado.

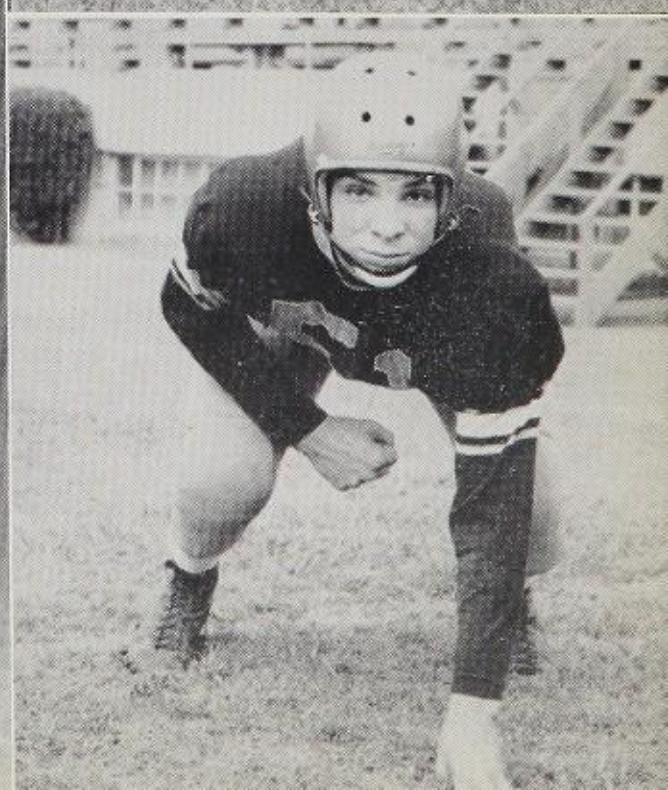
Little Rock's defensive stars were Halfbacks Ralph Goldman and Billy Jones, who often came up from their halfback positions to make important tackles on the line of scrimmage. Also playing well for Little Rock were Halfbacks Jim Wetherington, and Jimmy Martin, Tackle Frank Plegge, and Guard Richard Maxwell.

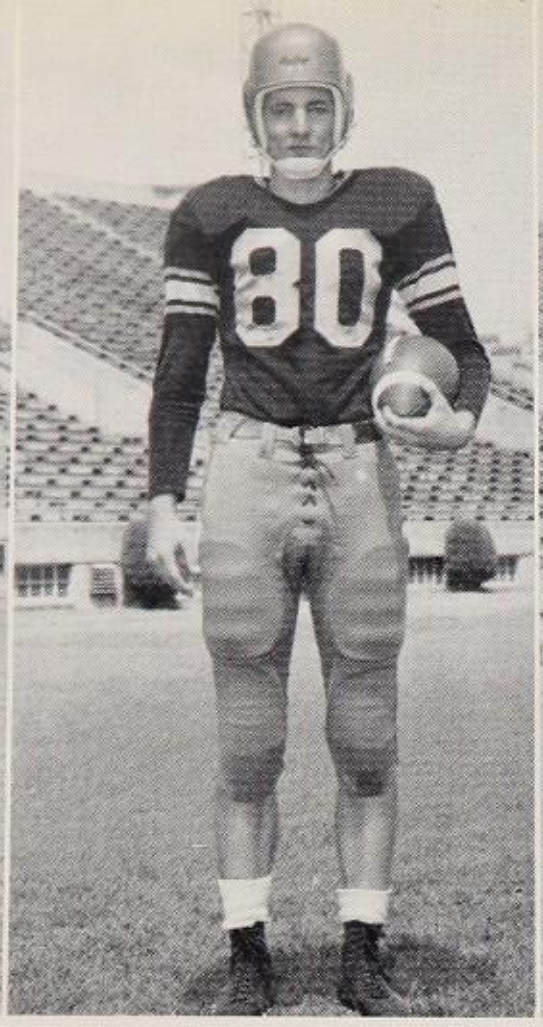












A Good Season Ends

Top row, from left, Halfback Scott Woodmansee, End Brinton Ramoly, End Richard Bell, and Fullback Darryl Herbert

Bottom left, the Bengals line holds as North Little Rock rushes to try to block the point after the touchdown. The Tiger players reading from left are Darryl Herbert, Richard Bell, Frank Plegge, Richard Maxwell, Herbert Rule, Brinton Ramoly, and Bill Jones.

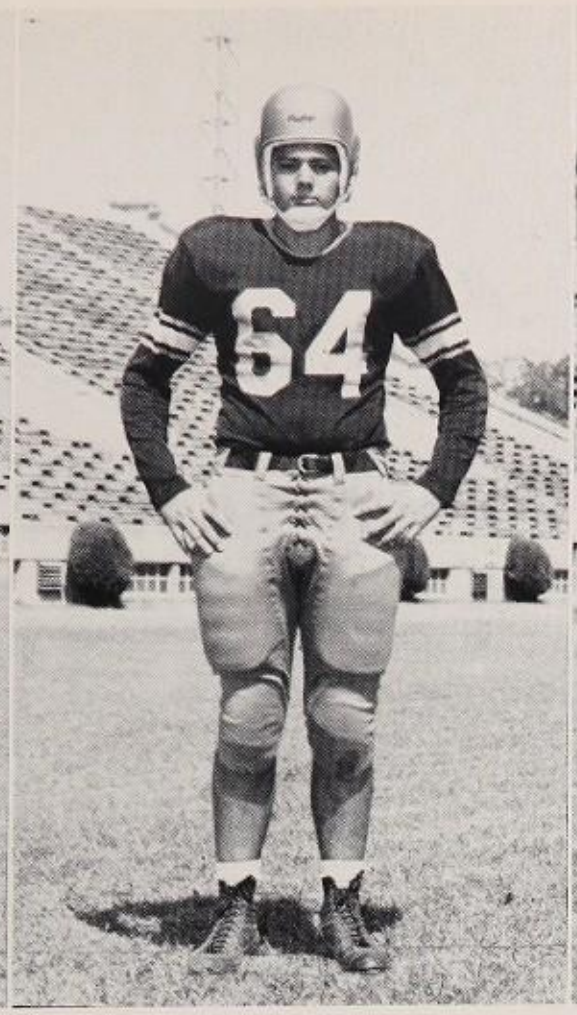
Bottom right, Fullback Darryl Herbert eludes three Wildcat defenders.

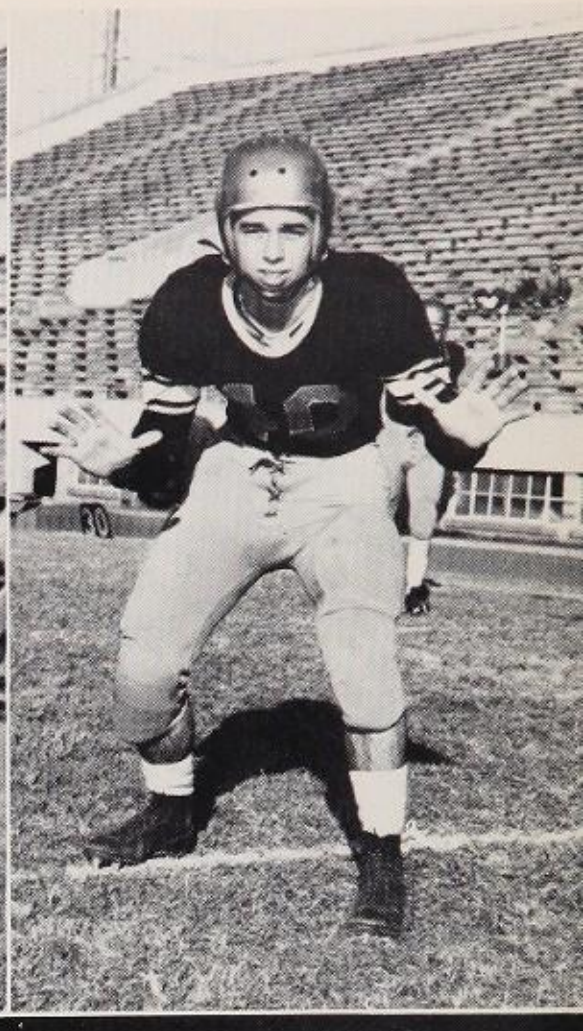
Football Banquet

The annual LRCHS football smorgasbord banquet was held at Hank's Dog House on Roosevelt Road. The occasion was marked by a super-abundance of food and the lack of formality.

As is always the custom, the football players themselves were the first to go down the line, heaping two plates each with everything good to eat, including baked ham, roast turkey and dressing, cranberry sauce and all other kinds of relish, beans, salads, stuffed eggs and other edibles too numerous to mention. Milk poured from the pitcher enabled the boys to drink their fill.

Athletic director, Earl F. Quigley, was in charge of the banquet. (See Pictures on Page 204).





Awards Assembly

Top row, from left, Halfback Fred Morgan, Guard Gene Barnett, Tackle Robert Castleberry, and Fullback Charles McCool.

Twenty gray jackets, six grey coat sweaters, and four Tiger blankets were awarded to the lettermen of the 1954 edition of the LRCHS Tiger football team on the annual football awards assembly January 14 in the auditorium. Jackets were awarded to the first-year lettermen, the sweaters to the second-year lettermen, and the blankets to the third-year lettermen. Each of the lettermen also received a 10K gold football.

Members of the varsity team receiving first year awards were Doug Francisco, Bill Jones, Hammond Satterfield, Jimmy Woods, Fred Morgan, Michael Johns, Calvin Moore, Jimmy Martin, Larry Nahlen, Buddy Milligan, Richard Maxwell, Lewis Barnard, Warner St. John, Gene Barnett, Bob Darling, Charles Carter, Robert Castleberry, Charles E. Smith, and Coach Lawrence Mobley.

You Pay for a Business Education Whether You Get It or Not

These facts are based on a study made by Dean Everett W. Lord af Boston University, nationally recognized authority on the relation of education to salary.) The original data have been evaluated by the Equitable Life Insurance Company of Iowa to conform to the changed index of the purchasing power of the current dollar.

1. The Untrained Man: He goes to work at 14 and reaches his maximum income at 40 with a life average of less than $2,400 a year.

Since his income is largely dependent on physical strength and manual dexterity, it falls off at 50 or earlier, often to a point below the level of self-support. More than 50 out of every 100 untrained workers are dependent upon others after the age of 60.

Total Earnings From 14 to 60, About $110,400.

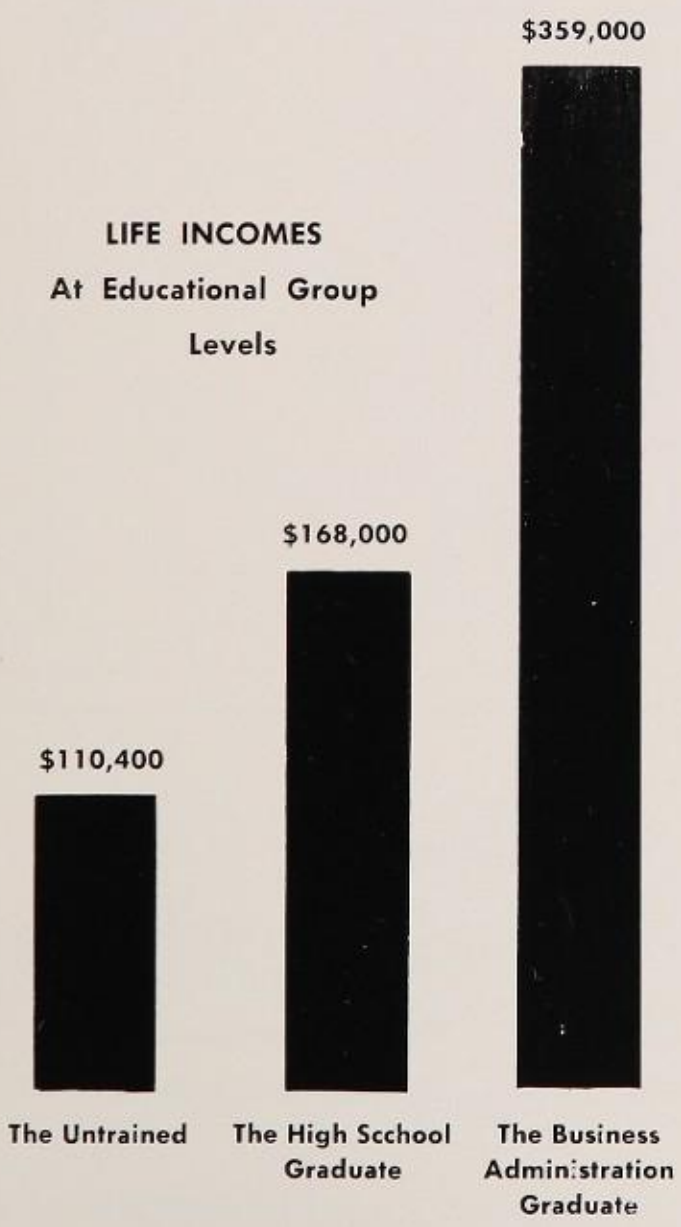
2. The High School Graduate: He goes to work at 18, passes the maximum of the untrained man within ten years, rises steadily to his own maximum at 50 with a life average of $4,000 annually and declines but little thereafter.

Total Earnings from 18 to 60, About $168,000.

3. The Business School Graduate: His permanent earnings begin at 22. By the time he is 30 his income equals that of the high school graduate at 40, and continues to rise.

Since his income is dependent upon his mental ability and training and is constantly improved by practice, it increases rather than diminishes. The graduate in business administration reaches his maximum at 60 and has a life average income of $11,000 annually.

Total Earnings from 22 to 60, $300,000 to $418,000.



For fifty years, Draughon School of Business, Little Rock, Arkansas, has accepted the responsibility of supplying business and industry within our area with properly trained office personnel.

For more than ten years our Free Employment Department has received many, many more calls for trained personnel than we could possibly fill because we could not train them fast enough. Not having the words to express to you the possibilities of thorough business education, we submit to you the above report entitled, "You Pay for a Business Education Whether You Get It or Not." Won't you read and study this report and ask yourself this question: "May I also receive profits and benefits by attending Draughon School of Business, Little Rock?"

For full information about courses offered, write us for our free book, TRAIN FOR BUSINESS.

- Opal -
We haven't seen much of each other this year, but I sincerely hope that we will get to know each other better in the future.
Best of luck,

Dear Opal,
You've really been a swell pal this past year and I hope we will be next year. I wish we could see more of each other. You really deserve all that & more. I sure hope it will be the case (this is!) next year.
Love always,
Carol

Dear Opal,
Of course I've had a very nice year knowing you this year. I sure wish we could see more of each other. I'll be seeing you around Beaty Hall next year and I hope we have a swell time.

We have had loads of fun this year together in gym and I know I'll never forget the Southernaire trip and "Battleby" something else I will never forget is your hair. no matter what color or what style you had it, I still loved it.
Good luck, always,
Virginia Watt

Opal,
To the cute red-head in my art class. I have enjoyed going to school with a "nut" like you. I really think you are sweet, + cute + nice. Best wishes always to a girl who deserves it
